

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

AMEC Environment & Infrastructure,
Inc.,

Plaintiff,

v.

Integral Consulting, Inc., Edward P.
Conti, an individual, Matthew
Hillyard, an individual,

Defendants.

Case No. 12-cv-01735 SC (NC)

**ORDER DENYING REQUEST TO
CONTINUE DISCOVERY HEARING**

On September 17, 2013, Integral filed a notice of unavailability for the discovery hearing set for September 25, 2013. Dkt. No. 42. Although Integral did not move the Court to continue the hearing, the Court treats Integral's notice as a request to do so. In its letter filed September 19, 2013, AMEC requested that Integral be available at the hearing or in the alternative, not oppose the requested extension to the mediation deadline. Dkt. No. 44. Integral's request to continue the hearing is DENIED, as it lacks good cause. If Integral wishes to modify the schedule, counsel should file a stipulation proposing alternative dates, or a motion supported by good cause and demonstrating that counsel have met and conferred on the scheduling issue.

IT IS SO ORDERED

Dated: September 20, 2013
